

Thank you for wanting me to review your work, however, I do have a couple of guidelines that I need you to follow.

1.) I am only accepting review requests for Young Adult, Realistic Fiction, Poetry, and Historical/Historical Fiction at the moment. These do change every now and then, so check back to see if I have added your book's genre, if it isn't on the list of what I am accepting right now.

2.) Books must be at least 40 pages long. I will not accept any requests for books with a shorter page count than 40.

3.) Your book **MUST** be on Goodreads. If it is not on Goodreads, I will also decline your request as Goodreads is the platform where I post all of my book reviews.

4.) I am going to be gravely honest in my reviews. If I hated it, I'll say I hated it, and if I loved it, I'll say I loved it. If you don't want a bad review, I'd recommend not requesting a review as I may not end up liking or enjoying it.

5.) Books **MUST** be emailed to haiayiele@gmail.com in a PDF format. I will not submit any other format.

If you do not or cannot, or your book does not apply to even as small as one of the guidelines, please DO NOT submit your book to me for review as I will decline it and ignore your request.

If you have any questions, either email me at haiayiele@gmail.com, or message me on Goodreads at [goodreads.com/haiayiele](https://www.goodreads.com/haiayiele).
